CUSTOM MILLED RECLAIMED LUMBER

Fifteen (15) years of experience in the hardwood lumber industry shows in the unique and beautiful products milled by Whatman Hardwoods.

We are a small, family-owned business that prides itself on giving the customer something special that will last for years.

GREEN BUILDING

Green Building is a construction Practice concerned with energy Consumption and the environment. (www.globalgreen.org)

This philosophy is a growing trend in the building industry. Our antique lumber is obtained from old barns/structures that have been torn down. New trees are not cut down to obtain the lumber.
